

You'll love where we're going.

Efficiency, clarity and simplicity for your home buyers and sellers. Upward Title & Closing is here to empower everyone's next move.

It's a new day for real estate.

Onward and Upward. We're a full-service title and settlement company on a mission to empower everyone's next move.

We're here to make it simple. Guided by our commitment to helping you deliver easy, on-time closings. Every time.

With the combined resources of one of the world's leading real estate companies, we'll meet you and your clients wherever you are with convenient transaction tools, flexible closing options, local expertise and direct transaction support.

Access to title experts. All transactions are not created equal. We have the resources and expertise to guide you through any closing.

Creating a better closing experience. We're here to support you at every step, so home buyers and sellers focus on what matters most – the joy of homeownership.

Say hello to your best closing experience.

We've got your business in mind. A successful transaction leads to a happy client – and a happy client means a strong referral.

Upward Title & Closing is committed to helping agents stand out in the market and enhance your service offering.
